

BETTER CUT

- Noticeable increase in chop quality
- Self-sharpening for the best straw-cutting action

LONGER LIFE

- Optimized, high-quality carbide coating for the longest life and sharpest cut
- Reversible straight-blade design for twice the wear of some factory blades

SAVE POWER

- Carbide coating allows blades to self-sharpen and slice through straw with less force
- Sharper blades cut straw more efficiently, conserving fuel and horsepower

REDEKOP BLADE UPGRADE OPTIONS

Each Redekop Blade Upgrade Kit comes with the right combination of high-quality carbide-coated blades, bushings, washers, nuts and bolts to complete your conversion
