

## **Packaging and Order Fulfillment – Summer Student**

Redekop Manufacturing has been in business for over 30 years and we are committed to helping farmers grow more food by improving crop residue management. If you are passionate about helping farmers then we would like to talk to you.

Redekop has an opening for a summer student position in our Manufacturing Department at our Head Office in Saskatoon, SK.

### **Responsibilities**

- Packaging blade kits – whole goods and parts
- Closing out jobs for blade kits
- Packaging out small parts orders and blade kit orders
- Packaging out large parts orders
- Packaging hardware kits for choppers as needed
- Keeping your area of the shop tidy
- Other duties as required

### **Qualifications**

- High attention to detail
- Excellent communication skills
- Ability to prioritize tasks and allot time effectively
- Must be able to lift heavy objects

### **Other Information**

- Hours are Monday – Friday 8:00 am to 4:30 pm
- Starting at \$16/hour
